

The National Society of the Sons of the American Revolution

INSTITUTED JULY 4, 1876

ORGANIZED APRIL 30, 1889

Dear Compatriot:

Congratulations on becoming a member of the National Society of the Sons of the American Revolution. As you know, we in the SAR are dedicated to carrying out patriotic, historical, and educational programs in our home communities. Now you, as a member of this Society, have the opportunity to join your fellow Compatriots in carrying out these Society objectives.

Enclosed are your Membership Certificate and a Record Copy of your Membership Application.

We encourage you to help our organization grow by sponsoring other males in your family to join. The information you provided on your application can make the application process much simpler for your father, grandfather, brothers, uncles, cousins, nephews, and sons, when tracing lineage to the same ancestor. We also offer reduced application fees for certain family members and family members filing for membership at the same time. See our website for details and pricing by visiting www.sar.org, and then clicking on "Costs" under the Membership tab.

If you have friends who might be interested and eligible for membership, "State Contacts" for each state society can also be found under the Membership tab. That contact assists prospective members with the application process, and can direct them to local chapters in their areas. Your efforts will be of tremendous service to the Society.

Again, congratulations on becoming a member of the SAR. I am confident you will enjoy your membership and will display your membership certificate with great pride. Wear your Rosette proudly!

Very truly yours,
