

TEXAS STATE LIBRARY AND ARCHIVES COMMISSION

LOCAL SCHEDULE EL

(Fourth Edition)

RETENTION SCHEDULE FOR RECORDS OF ELECTIONS AND VOTER REGISTRATION

This schedule establishes mandatory minimum retention periods for records that are associated with the conduct of elections, political candidacy, and the registration of voters. No local government office may dispose of a record listed in this schedule prior to the expiration of its retention period. A records control schedule of a local government may not set a retention period that is less than that established for the record in this schedule. Original paper records may be disposed of prior to the expiration of their minimum retention periods if they have been microfilmed or electronically stored pursuant to the provisions of the Local Government Code, Chapter 204 or Chapter 205, as applicable, and rules of the Texas State Library and Archives Commission adopted under those chapters. Actual disposal of such records by a local government is subject to the policies and procedures of its records management program.

Destruction of local government records contrary to the provisions of the Local Government Records Act of 1989 and administrative rules adopted under it, including this schedule, is a Class A misdemeanor and, under certain circumstances, a third degree felony (Penal Code, Section 37.10). Anyone destroying local government records without legal authorization may also be subject to criminal penalties and fines under the Public Information Act (Government Code, Chapter 552).

INTRODUCTION

The Government Code, Section 441.158, provides that the Texas State Library and Archives Commission shall issue records retention schedules for each type of local government, including a schedule for records common to all types of local government. The law provides further that each schedule must state the retention period prescribed by federal or state law, rule of court, or regulation for a record for which a period is prescribed; and prescribe retention periods for all other records, which periods have the same effect as if prescribed by law after the records retention schedule is adopted as a rule of the Commission. If applicable, the wording of the records series will match that of any federal or state law, rule of court, or regulation, and citation to law, rule, or regulation will be provided in the Remarks section.

Retention periods listed in this schedule apply to records in any medium. If records are stored electronically, they must remain available and accessible until the expiration of the retention period assigned by this schedule, along with any hardware or software required to access or read them. Electronic records may include electronic mail (e-mail), websites, electronic publications, or any other machine-readable format. Paper or microfilm copies may be retained in lieu of electronic records.

The use of social media application may create public records. Any content (messages, posts, photographs, videos, etc.) created or received using a social media application may be considered records and should be managed appropriately. The retention of social media records is based on content and function. Local governments will need to consult the relevant records retention schedule for the minimum retention periods.

Unless otherwise stated, the retention period for a record is in calendar years from the date of its creation. The retention period applies only to an official record as distinct from convenience or working copies created for informational purposes. Where several copies are maintained, each local government should decide which shall be the official record and in which of its divisions or departments it will be maintained. Local governments in their records management programs should establish policies and procedures to provide for the systematic disposal of copies.

A local government record whose retention period has expired may not be destroyed if any litigation, claim, negotiation, audit, public information request, administrative review, or other action involving the record is initiated; its destruction shall not occur until the completion of the action and the resolution of all issues that arise from it.

A local government record whose retention period expires during any litigation, claim, negotiation, audit, public information request, administrative review, or other action involving the record may not be destroyed until the completion of the action and the resolution of all issues that arise from it.

If a record described in this schedule is maintained in a bound volume of a type in which pages were not meant to be removed, the retention period, unless otherwise stated, dates from the date of last entry.

If two or more records listed in this schedule are maintained together by a local government and are not severable, the combined record must be retained for the length of time of the component with the longest retention period. A record whose minimum retention period on this schedule has not yet expired and is **less than permanent** may be disposed of if it has been so badly damaged by fire, water, or insect or rodent infestation

as to render it unreadable, or if portions of the information in the record have been so thoroughly destroyed that remaining portions are unintelligible. If the retention period for the record is **permanent** in this schedule, authority to dispose of the damaged record must be obtained from the Director and Librarian of the Texas State Library and Archives Commission. A Request for Authority to Destroy Unscheduled Records (Form SLR 501) should be used for this purpose.

Certain records listed in this schedule are assigned the retention period of AV (as long as administratively valuable). This retention period affords local governments the maximum amount of discretion in determining a specific retention period for the record described.

Use of Asterisk (*)

The use of an asterisk in this edition of Local Schedule EL indicates that the record is either new to this edition, the retention period for the record has been changed, or amendments have been made to the description of or remarks concerning the record. An asterisk is not used to indicate minor amendments to grammar or punctuation.

RECORDS OF ELECTIONS AND VOTER REGISTRATION

RETENTION NOTES: (a) **DESTRUCTION OF RECORDS.** After expiration of the prescribed period for preserving voted ballots, election returns, other election records, or other records that are preserved under the Election Code, the records may be destroyed or otherwise disposed of unless, at the expiration of the preservation period, an election contest or a criminal investigation or proceeding in connection with an election to which the records pertain is pending. In that case, the records shall be preserved until the contest, investigation, or proceeding is completed and the judgment, if any, becomes final. [By law, Election Code, Section 1.013.]

(b) **AUTHORITY OF THIS SCHEDULE** - This schedule applies to and is binding upon county clerks, county tax assessor-collectors, county election administrators, election clerks in other local governments, and all other officials or employees of a local government who have custody of or maintain records of elections or voter registration. Many of the retention periods established in the Texas Election Code also apply to county executive committees of political parties who conduct their own primaries. These committees are not bound, however, by the destruction notice and records scheduling requirements of the Local Government Records Act.
