1           SECTION 6. FINDINGS RELATING TO BOUNDARIES.       The  
2 legislature finds that the boundaries and field notes of each  
3 district form a closure. If a mistake is made in the field notes or  
4 in copying the field notes in the legislative process, the mistake  
5 does not affect in any way:

6           (1) the organization, existence, or validity of the  
7 district;

8           (2) the right of the district to impose taxes; or

9           (3) the legality or operation of the district or the

3 this state.

4           (b) A district may issue bonds, notes, or other obligations  
5 of the district to finance construction, maintenance, and operation  
6 under Section 8 of this Act and may impose a tax to pay the principal  
7 of or interest on bonds issued under this subsection.

8           (c) A district may not issue bonds under Subsection (b) of  
9 this section unless the issuance is approved by a vote of a  
10 two-thirds majority of the qualified voters of the district voting  
11 at an election called for that purpose. Bonds, notes, or other  
12 obligations issued or incurred under Subsection (b) of this section  
13 may not exceed one-fourth of the assessed value of the real property  
14 in the district.

15           (d) Sections 49.181 and 49.182, Water Code, do not apply to  
16 projects undertaken by a district under Section 8(b) of this Act or  
17 to bonds issued by a district under Subsection (b) of this section.

20 all public purposes.

21           (b) Outside the boundaries of a district, a district may  
22 exercise the power of eminent domain only for the purpose of  
23 constructing, acquiring, operating, repairing, or maintaining  
24 water supply lines or sanitary sewer lines.

25           (c) A district's power of eminent domain is exercised in the  
26 same manner as required for a county.

27           SECTION 11. BOARD OF DIRECTORS. (a) Each district is

1 governed by a board of five directors.

2 (b) Temporary directors serve until initial directors are  
3 elected under Section 13 of this Act.

4 (c) Initial directors serve until permanent directors are

11 district may submit a petition to the commission requesting that  
12 the commission appoint as temporary directors the five persons  
13 named in the petition.

14 (b) Subject to Subsection (e) of this section, the  
15 commission shall appoint as temporary directors the five persons  
16 named in the first petition received by the commission for each  
17 district.

18 (c) If a temporary director fails to qualify for office, the  
19 commission shall appoint a person to fill the vacancy.

24 district that is located wholly or partly within an area designated  
25 by ordinance or resolution of the City of Crandall as the water  
26 service area, extraterritorial jurisdiction, or corporate limits  
27 of that city only if the city has given its express written consent

1 to the creation of the district. The City of Crandall may give its  
2 consent only on the execution of a written agreement between the  
3 developer of the district and the Crandall Independent School  
4 District providing that the developer of the district will:

5 (1) fund the construction of buildings and  
6 improvements for the school district; and

7 (2) establish an educational fund for the school  
8 district of an amount based on an annually determined transaction  
9 fee on the sale and resale of any home within the district  
10 boundaries for the duration of the existence of the district.

11 SECTION 13. CONFIRMATION AND INITIAL DIRECTORS' ELECTION.

12 (a) Subject to Subsection (b) of this section, the temporary board  
13 of directors of each district shall call and hold an election to  
14 confirm establishment of the district and to elect five initial  
15 directors in the manner provided by Chapter 49, Water Code.

16 (b) A temporary board of directors may call and hold an  
17 election to confirm establishment of a district that is located  
18 wholly or partly within an area designated by ordinance or  
19 resolution of the City of Crandall as the water service area,  
20 extraterritorial jurisdiction, or corporate limits of that city  
21 only if the city has given its express written consent to the  
22 creation of the district. The City of Crandall may give its consent  
23 only on the execution of a written agreement between the developer  
24 of the district and the Crandall Independent School District  
25 providing that the developer of the district will:

26 (1) fund the construction of buildings and  
27 improvements for the school district; and

1           (2) establish an educational fund for the school  
2 district of an amount based on an annually determined transaction  
3 fee on the sale and resale of any home within the district  
4 boundaries for the duration of the existence of the district.

5           SECTION 14. ELECTION OF DIRECTORS. Each board shall call  
6 and hold elections to elect permanent directors in the manner  
7 provided by Chapter 49, Water Code.

8           SECTION 15. EFFECTIVE DATE; EXPIRATION DATE. (a) This Act  
9 takes effect on the date on or after September 1, 2003, on which a  
10 settlement agreement between the City of Crandall and the developer  
11 of the districts is legally executed regarding a pending petition  
12 before the Texas Commission on Environmental Quality for the right  
13 to provide retail water service to certain areas within the  
14 districts. If the settlement agreement is legally executed before  
15 September 1, 2003, this Act takes effect September 1, 2003.

16           (b) If the creation of a district is not confirmed at a  
17 confirmation election held under Section 13 of this Act before
