CHANCELLOR'S CENTURY COUNCIL

WHO WE ARE

The Chancellor's Century Council was established in 1987 to bring together friends and supporters to strengthen ties between The Texas A&M University System and the private sector.

The Council seeks members who are committed to advancing the future of higher education in Texas and to ensure that all students in the A&M System receive the best possible education.

The Council is committed to the A&M System's land-grant mission of providing education, research and service to all Texans.

To coordinate and guide our mission, the Council meets annually at a system university. Each visit provides a unique opportunity to witness first-hand the contributions of a system member.

You are cordially invited to join the Chancellor's Century Council and see what a difference we can make together.

WHAT WE DO

REGENTS PROFESSOR & FELLOW SERVICE AWARDS

These are the highest awards given by The Texas A&M University System Board of Regents to recognize top faculty and staff who provide exemplary service not only to their university or agency, but also to the community, the state, the nation, and the world.

INTRA-SYSTEM TRAVEL FUNDS

The Chancellor's Century Council encourages faculty development and collaboration among the universities by providing travel funds to A&M System faculty. High priority is given to those activities that further intra-system initiatives on teaching, research and service.

CHANCELLOR'S STUDENT ADVISORY BOARD

The CSAB is comprised of A&M System student body presidents and other student leaders. They participate in monthly teleconferences or face-to-face meetings, present an annual report to the Board of Regents, and travel to Austin each spring to meet with government representatives and participate in the legislative process.

COMMUNITY DEVELOPMENT

The Council participates in events and activities to enhance relationships with home communities.
